Call: bounce allowed because oil fell. Do not treat it as Nvidia solved. \$135 SpaceX / \$350 Tesla tag. NFA.

- NVDA Wednesday after close. PCE Wednesday morning. Warsh Friday.
- SPCX hold \$135-\$140. LA \$100B is not this week's cash.
- TSLA \$350s as floor vs tag. Black is sidelined boomer tape.

Not financial advice. Cash close.
